

Rarity Bay Golf & Country Club 2010 Championship Golf Events

Whether it's a 100-player charity event or some guys from the office, the Rarity Bay Championship golf course is a perfect spot for enjoying a day with the guys and gals and perfecting your game.

There are several reasons to choose the Rarity Bay Golf & Country Club for your next event. Our mild, four-season climate makes it possible to play a round all throughout the year. The course's designers, D.J. DeVictor and Peter Langham, have created an 18-hole, par-72 masterpiece that every player will enjoy. We have a fully stocked pro shop and PGA golf professional on site to answer any questions you may have and to help you with bringing your abilities to the next level. Finally, our event management staff is professional and fully prepared to help you with every aspect of your event.

Take some time to look over our menu options located on the backside of this flyer and contact our staff to begin planning today. If you've never played the Rarity Bay Championship golf course, this is the perfect opportunity for you, your friends and coworkers to book a tee time and start down the path to becoming a championship player!
